

OAKWOOD COMMUNITY CHURCH

5791 Oakwood Rd, Ortonville, MI 48462 • 248-628-6388 • www.oakwoodcc.org

Friday, May 9, 2025

Dear Oakwood Family,

It is your generosity along with the entire Oakwood family that allows us to continue our ministry; Growing a great family, grounded in faith, guided by grace, and going in love.

With input from every ministry leader as well as the Deacons, who oversee the grounds, building, and property, the finance committee created and proposed the new budget for the 2025-2026 fiscal year. The Elders unanimously approved the proposed budget, which is included with this letter for your consideration.

After careful consideration, and believing God is leading us forward, we have proposed a modest budget increase of approximately 6% for the coming year. This will allow us to cover the operating costs and maintain all of the current ministries of the church. The money from our original mortgage which was left in the budget and allocated for future facility improvements will be reallocated and put toward the cost of financing the parking lot and pavilion.

If you have any questions, the Elders will be available after each service on May 18th and 25th to answer them.

Sincerely,

Your Elder Board

Jim Bongiorno
